Efficient Cooling, Total Control

PS5 / PS5 Slim / PS5 Pro

HA-8008

Efficient Cooling

Bottom intake and side outlet fan moves large air volume at low noise, dropping console temperature fast during long sessions.

Broad Compatibility

Fits PS5 disc and digital editions across PS5, PS5 Slim and PS5 Pro — one stand for the whole family.

RGB Ambience

7 solid colors with running, breathing and static modes. Sync your desk light with your gameplay.

Dual Controller Charging

Two slots charge two DualSense controllers simultaneously, with orange=charging and blue=ready indicators.

Rich Expansion

3 USB-A plus 1 Type-C port, plus a built-in headset hanger — all your desktop accessories in one place.

Flexible & Secure

Power from the console port or an external Type-C supply. The screw lock holds the console firmly in place.

Charge More, Switch More

Nintendo Switch HBS-115

Three Charging Modes

Charge 4 Joy-Con, or 2 Joy-Con plus 1 Pro controller, or 2 Joy-Con together with the Switch console.

Acrylic LED Column

Transparent acrylic column glows blue while charging, green when full, and runs a self-check on power-on.

Full Safety Suite

Smart cut-off plus short-circuit, over-current and over-charge protection keep controllers safe overnight.

Non-slip Base

Four silicone pads on the bottom grip the desk so the dock stays put even when yanking controllers out.

Cable Included

80cm USB-C cable in the box. 5V/2A input, 500mA per Joy-Con and 1A per Pro output.

43-in-1 Full Body Sports Kit

Nintendo Switch 2 HBS-2949

43-in-1 Bundle

Everything a Switch 2 sports fan needs in one box — grips, covers, screens and storage.

Six Sports Plays

Tennis, golf, ping pong, bowling, swordplay and jump rope built in — motion-controlled family fun.

Complete Protection

Console case, Joy-Con covers, 2× tempered glass screen protectors and 8 thumb grips included.

Quick-swap Handles

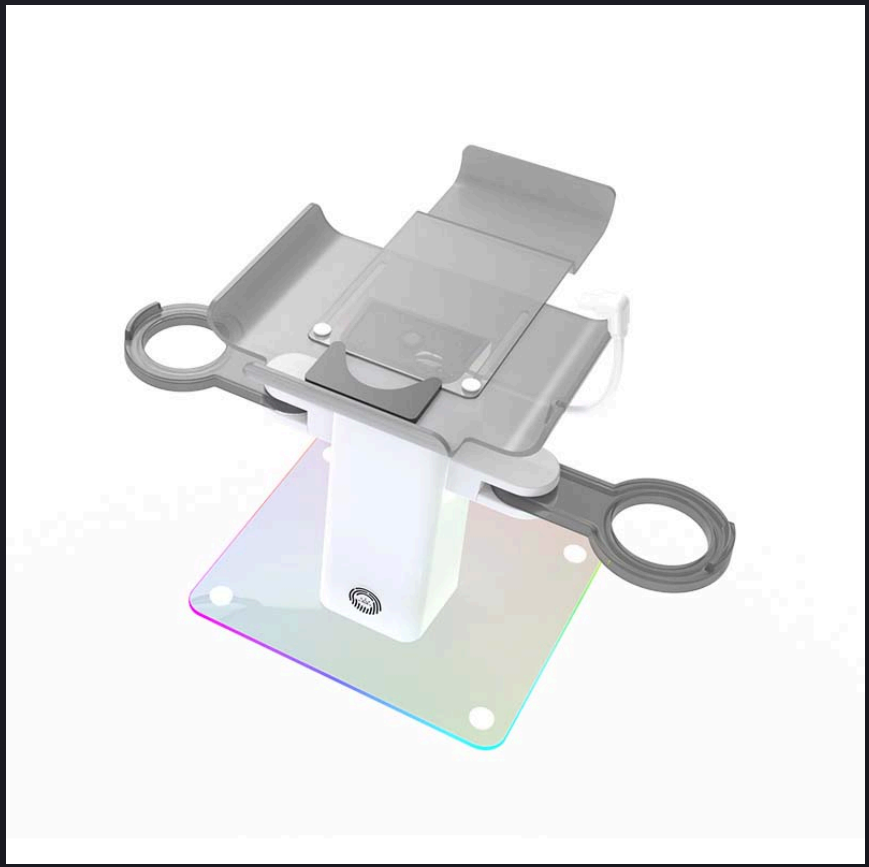

Universal grip handles swap between sports attachments in seconds — no tools, no fumbling.

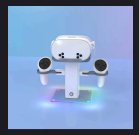

Organized Storage

Hard EVA storage bag plus a game card rack keep all 43 pieces sorted and travel-ready.

VR Charging, Display & Storage

VR / Meta Quest 2 / 3 HBV-599

All-in-one Station

Charging, storage and desktop display combined — no more tangled cables or misplaced controllers.

Telescopic Top Tray

Adjustable top bracket fits Meta Quest 2, 3 and 3S headsets with a secure fit.

Rotating Holders

Two 180-degree rotating controller holders keep your touch controllers charged and within reach.

RGB Base

Base cycles 7 solid colors through fast breathing, slow breathing and off — bottom touch button to switch.

Built-in Charging

Hidden cable management with a front-facing Type-C port; silicone anti-slip pads on the bottom.
